Sommario/riassunto

A straightforward guide to generating consistent income by selling call options on selected stocks. The Stock Option Income Generator outlines a low-stress approach to making predictable profits no matter what the state of the overall market. Harvey Friedentag, a registered investment advisor who has been successfully using this strategy for more than thirty-six years, shows how to pick stocks and then sell call options against those stocks to generate a constant source of income. With this book, you'll quickly learn to make consistent profits in the stock market and
