Livello bibliografico	Monografia
Note generali	Proceedings of the second annual Summer Institute sponsored by the Family Research Consortium held in 1987 in Santa Fe, New Mexico.
Nota di bibliografia	Includes bibliographical references and indexes.
Nota di contenuto	pt. I. Perspectives -- pt. II. Normative and nonnormative transitions -- pt. III. Metaphors and models.
Sommario/riassunto	This volume, the result of the second annual Summer Institute sponsored by the Family Research Consortium, focuses on family transitions--both normative and non-normative. The subject of family transitions has been a central concern of the consortium largely because studies of families in motion help to highlight mechanisms leading to adaptation and dysfunction. This text represents a collective effort to understand the techniques individuals and families employ to adapt to the pressing issues they encounter along their life course.
