| Disciplina | 371.8269120973 |
| Soggetti | Immigrant children - Education - United States Children of immigrants - Education - United States Citizenship - Study and teaching - United States |
| Lingua di pubblicazione | Inglese |
| Formato | Materiale a stampa |
| Livello bibliografico | Monografia |
| Sommario/riassunto | "Revealing the complex ways young people understand and negotiate immigration status and its impact on their lives, Ariana Mangual Figueroa observes when and how six Latina students from mixed-immigration-status families choose to talk about citizenship. She models new ways to collaborate with educators, children, and families, ultimately offering a crucial framework for understanding citizenship in the contemporary classroom"-- |
