Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Title from eBook information screen..
Nota di bibliografia	Includes bibliographical references and index.
Sommario/riassunto	This book is open access under a CC BY license. Selfies, blogs and lifelogging devices help us understand ourselves, building on long histories of written, visual and quantitative modes of self-

representations. This book uses examples to explore the balance between using technology to see ourselves and allowing our machines to tell us who we are.
