v. 1. Legislative achievements --

Sommario/riassunto

A Documentary History of the American Civil War Era is the first comprehensive collection of public policy actions, political speeches, and judicial decisions related to the American Civil War. This three-volume set gives scholars, teachers, and students easy access to the full texts of the most important, fundamental documents as well as hard-to-find, rarely published primary sources on this critical period in U.S. history. The first volume of the series, Legislative Achievements, contains legislation passed in response to the turmoil seizing the country on the brink of, during, a
