Nota di contenuto	Introduction -- Part1: Sustainability -- Part 2: Smart Cities -- Part 3: Environmental Resilience -- Part 4: Resilient Local Economies -- Part 5: Manufacturing -- Part 6: Smart Products.
Sommario/riassunto	This book is a result of the 1st ARCH and DESN International Conference (previously Memaryat) Conference held at Effat university on the 8th and 9th of February 2023, and includes chapters dealing with the critical manifestation of "Man and Place" to accommodate and embrace social, economic, and environmental needs within a balanced, integrated system. The book is groundbreaking in that it brings together some of the brightest minds in academia and industry. The

book includes a diverse range of contributions from esteemed academics and practitioners and offers a unique platform for thought-provoking discussions and innovative strategies that will help shape the cities of tomorrow. Further chapters include topics such as sustainability and creative transformations, smart cities, environmental resilience, resilient local economies, manufacturing innovations, and smart products. This book will be of interest to decision-makers, architects, interior designers, product designers, urban planners, urban designers, entrepreneurs, educators, and agencies.
