| | Nota di contenuto | The Stage Is Set for Broken Promises -- From Evil Intentions to Unintended Consequences -- Attempts at Reformation of 14(c) during the Fight for Disability Rights as Civil Rights -- The Floor Is Gone and Modern Lobbying Arrives -- The Olmstead Supreme Court Decision and Freedom Fighters -- Early Adopters and Tearing Down Assumptions -- Federal Policy as Catalyst, Barrier and Duality -- The Nightmare in Atalissa -- Boycotting Goodwill -- Oregon, Rhode Island, and the Promise of a Way Forward -- A Legislative Fix Was In -- Ohio, Honda, |

and the Future of Subminimum Wages.

| | |
|---|---|
| Sommario/riassunto | "In 1938 the Fair Labor Standards Act authorized the use of subminimum wages for workers with disabilities. While some states have banned their use, it remains legal federally. The program known as 14(c) has a long history of poor oversight and abuse. While disability rights have grown in the United States, this issue lags decades behind" -- |
