Disciplina	305.8924073
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	Drawing on the dynamics of apocalyptic movements, Landes looks at the turn of the millennium in terms of a radical mismatch between two millennial styles, an Islamist pre-modern (Caliphators) and a Western post-modern (Woke). Due to a striking cognitive failure, Westerners could neither see nor discuss the foe they faced, and repeatedly, convinced they were bending the arc of history towards justice, took sharp wrong turns.
