It goes without saying: love makes no sense. In fact, neither does flirting, dating, or breaking up. Anyone who says relationships are all cake, kisses, and cloud nine has yet to stumble into that vast and bewildering nebula called "romance." Lucky for us, the Savage Chickens have blundered practically every sentimental moment in their adventures in courtship. Perhaps it's time we learn--and laugh--at their hilarious mistakes before making our own. The Savage Chickens are joined by their robot Prodigy, bawdy Timmy-Tofu, and colleague Worm, amongst other friends, as they navigate the realm of inappropriate pick-up lines, online dating profiles, excessively honest Valentine's cards, and those scariest of words: "I love you." Doug Savage doesn't claim to be a relationship expert, but he does have a knack for poking fun at dating and the inevitable mishaps along the way. He began uploading sticky notes illustrated with his Savage Chicken doodles in 2005, and over 1800 yellow sticky notes and eight years later, Mr. Savage can call himself a successful cartoonist. At times absurd, sometimes wry, even occasionally insightful, but always clever and comical, this e-book original collection of his cartoons will woo anyone with amusement, even those still shuddering from their own cringe-worthy dating memories.
