Sommario/riassunto	This textbook deals with the Middle East conflict as a key element of international relations. The origins of the conflict and its international dimensions, the major Israeli-Arab wars, attempts at a solution, peace plans and visions for the future are presented in a concise manner. Extensive map material illustrates the findings. The English translation of this book, originally in German, was facilitated by artificial intelligence. The content was later revised by the author for accuracy. The Author Dr. Margret Johannsen is a political scientist at the Institute

for Peace Research and Security Policy at the University of Hamburg,  
Germany.
