Sommario/riassunto	In Travels in the History of Architecture, renowned architectural writer Robert Harbison provides an engaging and concise companion to the great themes and aesthetic movements in architecture from antiquity to the present day. The book begins its journey with the great temples of the Egyptians and the shrines of Classical Greece and Rome and then provides a complete survey of architecture through the present day. Each chapter of this dynamic and approachable volume focuses on a movement in architectural history, including Byzantine, Baroque, Mannerism, Historicism, Functionali
