Record Nr.	UNINA9910869172403321
Autore Titolo	Li Xiang Proceedings of the Eleventh International Forum on Decision Sciences / / edited by Xiang Li, Xiaofeng Xu
Pubbl/distr/stampa	Singapore : , : Springer Nature Singapore : , : Imprint : Springer, , 2024
ISBN	9789819999637
Edizione	[1st ed. 2024.]
Descrizione fisica	1 online resource (474 pages)
Collana	Uncertainty and Operations Research, , 2195-9978
Altri autori (Persone)	XuXiaofeng
Disciplina	658.40301
Soggetti	Operations research Operations Research and Decision Theory
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di contenuto	The Optimization of the Location-allocation Problem of Pallet Pooling Centers Research on Development Forecast of New Energy Vehicles in Yangtze River Delta Based on GM(1,1) Model Distribution Route Optimization of Electric Vehicles Considering Charging Strategy and Nonlinear Energy Consumption The impact of green technology innovation and digital transformation on the environmental performance of logistics enterprises.
Sommario/riassunto	This book focuses on selected aspects of the current and upcoming trends in transportation, logistics, and decision-making. In detail, the included transportation management, optimization and management of logistics system, big data technology and method, financial engineering and risk management, investment decision and risk management, data-driven process management decision, scheduling optimization and combination decision, theory and method of forecasting and decision-making, data mining and knowledge management, operation and green supply chain management, industrial engineering and operation management, information system and business intelligence, Internet + green manufacturing, strategic emerging industries and industrial finance, big data, and smart city. The variety of the papers delivers added value for both scholars and practitioners. This book is the documentation of the symposium "The Eleventh International Forum on Decision Sciences," which took place in Qingdao, Shandong Province, China.
