

1. Record Nr.	UNINA9910872527103321
Titolo	ICPP 2004 Workshops on Mobile and Wireless Networking, High Performance Scientific and Engineering Computing, Network Design and Architecture, Optical Networks Control and Management, Ad Hoc and Sensor Networks, Compile and Run Time Techniques for Parallel
Pubbl/distr/stampa	[Place of publication not identified], : IEEE Computer Society, 2004
Disciplina	006.7
Soggetti	Multimedia systems Wireless communication systems Mobile computing Engineering & Applied Sciences Computer Science
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Bibliographic Level Mode of Issuance: Monograph
