

1. Record Nr.	UNINA9910873026003321
Titolo	2nd International Conference on Genetic Algorithms in Engineering Systems: Innovations and Applications (GALESIA '97)
Pubbl/distr/stampa	[Place of publication not identified], : Institution of Engineering & Technology, 1997
Collana	Conference publication Second International Conference on 'Genetic Algorithms in Engineering Systems, Innovations and Applications', GALESIA, 2-4 September 1997, venue, University of Strathclyde, Glasgow, UK.
Disciplina	620/.00285
Soggetti	Engineering - Data processing Genetic algorithms Computer-aided engineering Engineering & Applied Sciences Applied Mathematics
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Bibliographic Level Mode of Issuance: Monograph
