Sommario/riassunto

Compliance requirements are here to stay. Prepare your company for the growing challenge. A Wall Street Journal/Harris poll revealed that two thirds of investors express doubts in the ability of corporate boards of directors to provide effective oversight. In the shadow of recent global scandals involving businesses such as Parmalat and WorldCom, *Manager's Guide to Compliance: Best Practices and Case Studies* is essential reading for you, whether your organization is a major corporation or a small business. This timely handbook places U. S. and global regulatory information,
