

1. Record Nr.	UNINA9910877279603321
Titolo	Clinical endocrinology of companion animals // edited by Jacquie Rand
Pubbl/distr/stampa	Ames, Iowa, : Wiley-Blackwell, 2013
ISBN	1-118-44497-3 1-118-99709-3 1-283-80395-X 1-118-44489-2
Descrizione fisica	1 online resource (538 p.)
Altri autori (Persone)	RandJacquie
Disciplina	636.089/64
Soggetti	Veterinary endocrinology Pets - Diseases
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Clinical Endocrinology of Companion Animals; Copyright; Contents; Contributors; Preface; 1 Hypoadrenocorticism in Dogs; I. Pathogenesis; II. Signalment; III. Clinical Signs; IV. Diagnosis; V. Differential Diagnoses; VI. Treatment; VII. Prognosis; VIII. Prevention; 2 Hypoadrenocorticism in Cats; I. Pathogenesis; II. Signalment; III. Clinical Signs; IV. Diagnosis; V. Differential Diagnosis; VI. Treatment; VII. Prognosis; VIII. Prevention; 3 Hypoadrenocorticism in Other Species; Hypoadrenocorticism in Horses; I. Pathogenesis; II. Signalment; III. Clinical Signs; IV. Diagnosis V. Differential DiagnosisVI. Treatment; VII. Prognosis; VIII. Prevention; Hypoadrenocorticism in Ferrets; I. Pathogenesis; II. Signalment; III. Clinical Signs; IV. Diagnosis; V. Differential Diagnosis; VI. Treatment; VII. Prognosis; VIII. Prevention; Hypoadrenocorticism in Pet Birds; I. Pathogenesis; II. Signalment; III. Clinical Signs; IV. Diagnosis; V. Differential Diagnosis; VI. Treatment; VII. Prognosis; VIII. Prevention; 4 Critical Illness-Related Corticosteroid Insufficiency (Previously Known as Relative Adrenal Insufficiency); I. Pathogenesis; II. Signalment; III. Clinical Signs IV. DiagnosisV. Differential Diagnosis; VI. Treatment; VII. Prognosis; VIII. Prevention; 5 Hyperadrenocorticism in Dogs; I. Pathogenesis; II.

Signalment; III. Clinical Signs; IV. Diagnosis; V. Differential Diagnoses; VI. Treatment; VII. Prognosis; VIII. Prevention; 6 Primary Functioning Adrenal Tumors Producing Signs Similar to Hyperadrenocorticism Including Atypical Syndromes in Dogs; I. Pathogenesis; II. Signalment; III. Clinical Signs; IV. Diagnosis; V. Differential Diagnosis; VI. Treatment; VII. Prognosis; VIII. Prevention; 7 Hyperadrenocorticism in Cats; I. Pathogenesis; II. Signalment III. Clinical Signs IV. Diagnosis; V. Differential Diagnoses; VI. Treatment; VII. Prognosis; VIII. Prevention; 8 Primary Functioning Adrenal Tumors Producing Signs Similar to Hyperadrenocorticism Including Atypical Syndromes in Cats; I. Pathogenesis; II. Signalment; III. Clinical Signs; IV. Diagnosis; V. Differential Diagnoses; VI. Treatment; VII. Prognosis; VIII. Prevention; 9 Hyperadrenocorticism in Ferrets; I. Pathogenesis; II. Signalment; III. Clinical Signs; IV. Diagnosis; V. Differential Diagnoses; VI. Treatment; VII. Prognosis; VIII. Prevention 10 Hyperadrenocorticism and Primary Functioning Adrenal Tumors in Other Species (Excluding Horses and Ferrets) I. Pathogenesis; II. Signalment; III. Clinical Signs; IV. Diagnosis; V. Differential Diagnoses; VI. Treatment; VII. Prognosis; VIII. Prevention; 11 Hyperadrenocorticism (Pituitary Pars Intermedia Dysfunction) in Horses; I. Pathogenesis; II. Signalment; III. Clinical Signs; IV. Diagnosis; V. Differential Diagnoses; VI. Treatment; VII. Prognosis; VIII. Prevention; 12 Primary Hyperaldosteronism; I. Pathogenesis; II. Signalment; III. Clinical Signs IV. Diagnosis-Laboratory Assessment and Diagnostic Imaging

Sommario/riassunto

Clinical Endocrinology of Companion Animals offers fast access to clinically relevant information on managing the patient with endocrine disease. Written by leading experts in veterinary endocrinology, each chapter takes the same structure to aid in the rapid retrieval of information, offering information on pathogenesis, signalment, clinical signs, diagnosis, differential diagnosis, treatment, prognosis, and prevention for a broad list of endocrine disorders. Chapters begin with brief summaries for quick reference, then delve into greater detail. With complete coverage of the
