Sommario/riassunto

"Reforming Long-term Care in Europe offers the most up-to-date analysis of the features and developments of long-term care in Europe. Each chapter focuses on a key question in the policy debate in each country and offers a description and analysis of each system. Offers the very latest analysis of long-term care reform agendas in Europe. Compares countries comparatively less studied with the experiences of reform in Germany, the UK, Netherlands and Sweden. Each chapter focuses on a key question in the policy debate in each country and portrays a description and analysis of each system. Contributions from a wide range of European scholars for an exceptionally broad perspective."--
