Sommario/riassunto	Almost three years after the first voluntary handover of power in Russian history, this book examines Putin's management of this complex agenda, and considers how Moscow's current approach to international relations resembles and differs from that under Yeltsin. Examines Putin's management of Russia's foreign policy two years after the first voluntary handover of power in Russian history. Considers how Moscow's current approach to international relations resembles and differs from that under Yeltsin. Analyses whether changes in foreign policy have been quali
