Sommario/riassunto

Petronius: A Handbook unravels the mysteries of the *Satyricon*, one of the greatest literary works that antiquity has bequeathed to the modern world. Includes a dozen original essays by a team of leading Petronius and Roman history scholars. Features the first multi-dimensional approach to *Satyricon* studies by exploring the novel's literary structure, social and historic contexts, and modern reception. Supplemented by illustrations, plot outline, glossary, map, bibliography, and suggestions for further reading.
