Sommario/riassunto	A proven method for helping struggling students succeed Solution-Focused RTI provides an effective approach to Response-to-Intervention using a "solution-focused" method, which emphasizes a student's strengths rather than his or her weaknesses. This important book guides educators to identify exceptions to students' learning problems and design personalized interventions that can help those students succeed. In this book Linda Metcalf provides teachers with the basic building blocks of the solution-focused approach and offers step-by-step guidelines for identifying exceptions
