Sommario/riassunto

"Featuring updates, revisions, and new essays from various scholars within the Christian tradition, The Blackwell Companion to Christian Ethics, Second Edition reveals how Christian worship is the force that shapes the moral life of Christians. Features new essays on class, race, disability, gender, peace, and the virtues Includes a number of revised essays and a range of new authors The innovative and influential approach organizes ethical themes around the shape of Christian worship The original edition is the most successful to-date in the Companions to Religion series "--

"The second edition of The Blackwell Companion to Christian Ethics features a range of new topics, issues and authors within the fresh and imaginative approach to Christian ethics which made the first edition such a success. The Blackwell Companion to Christian Ethics, 2nd edition is ecumenical in outlook, and encompasses chapters from leading commentators within the Roman Catholic, Anglican, Methodist, Presbyterian, Mennonite and Pentecostal traditions. It is designed to be accessible to beginning students and upwards studying Christian ethics"--
