Sommario/riassunto	This book is a scholarly examination of the biblical texts of Hosea, Joel, and Obadiah. It is part of the Blackwell Bible Commentaries Series, which provides detailed commentary and historical context for various books of the Bible. The work aims to analyze the texts through historical, literary, and theological lenses, making it suitable for students, scholars, and those interested in deepening their understanding of these minor prophets. The volume includes introductions, overviews, and commentary on each chapter of the biblical books, supported by various historical and artistic illustrations.
