

1. Record Nr.	UNINA9910880296503321
Autore	Berger Stephen
Titolo	Less-Common Nematodes
Pubbl/distr/stampa	Los Angeles : , : Gideon Informatics, Incorporated, , 2024 ©2024
ISBN	1-4988-4536-3
Edizione	[2024th ed.]
Descrizione fisica	1 online resource (132 pages)
Altri autori (Persone)	GIDEON science teamGideon science
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di contenuto	Intro -- Copyright -- Introduction: The GIDEON e-book series -- Table of Contents -- Dioctophyma renale infection -- Epidemiology -- Agent -- Reservoir -- Vector -- Vehicle -- Incubation Period -- Diagnostic Tests -- Typical Adult Therapy -- Typical Pediatric Therapy -- Clinical Hints -- Synonyms -- Clinical -- References -- Distribution Map -- Images -- Global status -- References -- Australia -- References -- Bolivia -- References -- Brazil -- References -- Bulgaria -- References -- Canada -- References -- China -- References -- Colombia -- References -- France -- References -- Germany -- Greece -- References -- Guinea Bissau -- References -- India -- References -- Iran -- References -- Japan -- References -- Kosovo -- References -- Montenegro -- References -- The Netherlands -- References -- The Russian Federation -- References -- Serbia -- References -- Spain -- References -- Thailand -- References -- The United Kingdom -- References -- The United States -- References -- Uzbekistan -- References -- Gnathostomiasis -- Epidemiology -- Agent -- Reservoir -- Vector -- Vehicle -- Incubation Period -- Diagnostic Tests -- Typical Adult Therapy -- Typical Pediatric Therapy -- Clinical Hints -- Synonyms -- References -- Clinical -- References -- Distribution Map -- Images -- Global status -- References -- Argentina -- References -- Australia -- References -- Austria -- References -- Bangladesh -- References -- Belgium -- References -- Botswana -- References -- Brazil -- References -- Cambodia -- References -- Canada -- References -- Chile -- References -- China -- References -- Colombia
