

1. Record Nr.	UNINA9910887839803321
Titolo	JoVE science education Immunology
Pubbl/distr/stampa	[Cambridge, MA] : , : [MyJoVE Corporation], , 2019-
Descrizione fisica	1 online resource (streaming video files)
Disciplina	571.96
Lingua di pubblicazione	Inglese
Formato	Videoregistrazione
Livello bibliografico	Periodico
Note generali	Refereed/Peer-reviewed
Sommario/riassunto	"This collection covers many staple techniques of immunology labs, including the labeling and sorting of immune cells. It also demonstrates proliferation methods for immune cells and antibodies, as well as common assays for immune activity including ELISA. Finally, it demonstrates staining and imaging of immune tissue and cell samples."
