

1. Record Nr.	UNINA9910891570603321
Titolo	Nuclear Science / / Nuclear Energy Agency
Pubbl/distr/stampa	Paris, : OECD Publishing Paris : , : OECD Publishing, , 1999
ISSN	1990-0643
Descrizione fisica	1 online resource
Collana	Nuclear Science
Disciplina	621.48
Soggetti	Nuclear energy Nuclear energy - Safety measures
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Periodico
Sommario/riassunto	A series of publications from the OECD Nuclear Energy Agency on various aspects of nuclear science. The publications in this series (analytical reports and proceedings) provide research results and technical expertise in basic disciplines such as nuclear and radiation physics, thermal hydraulics, neutronics, fuel chemistry and material science which are needed to maintain a high level of performance and safety and to develop nuclear programmes.
