Sommario/riassunto	OECD360 provides the latest analyses and data from key OECD publications. Numerous graphics illustrate major current issues. Education, employment, green growth, regional perspectives, agriculture, economic growth, the financial crisis and its consequences on society and development : 8 topics that summarize the situation of your country and that of the entire international scene. Each article is accompanied by two pages of graphics which highlight OECD data from three graphics taken from the original publication - with Statlinks enabling the source data for each graphic to be downloaded.
