Filters. -- Data Privacy and Technology Ethics. -- Your body should not belong to the internet: online bodily integrity in the world of deepfake pornography. -- The Promise and Peril of Responsible AI Principles. -- Accelerating Machine Learning Primitives on Commodity Hardware.

Sommario/riassunto	This book constitutes the refereed post-conference proceedings of the Second EAI International Conference on AI for People, Democratizing AI, CAIP 2023, held in Bologna, Italy, during November 24-26, 2023. The 11 regular papers were carefully reviewed and selected from 27 submissions. The papers are organized in thematic sessions on ethical AI and innovation; democratization of AI and governance; AI in society and legal aspects; and data privacy and technology ethics.
