Sommario/riassunto	The main goal of the monograph is to present the genesis of the creation of the feudal republic – Novgorod the Great, the peak of its power and its fall under the pressure of the growing Muscovite Russia, as well as to describe the economic and social development of this city. The book is addressed to a wide group of readers interested in both the history of the economic and social development of Novgorod the Great and Russia. It may be helpful for students of such fields as economics, sociology, history or Russian studies.
