Sommario/riassunto	<p>In this program, three women with rewarding careers in the wood products business describe their work. Jodie MacDonald is a sawmill production coordinator who liaisons with sales and marketing; Marie-Claude Giguere is a composite technologist who tests and fabricates</p>

OSB boards; and Roxanne Fayant is a crate builder specializing in extremely large-scale work. Conversations with co-workers and supervisors add to the descriptions of each job.
