Edizione	[1st ed. 2024.]
Descrizione fisica	1 online resource (258 pages)
Altri autori (Persone)	PhilipSherin Sarah NaithaniPaarth
Disciplina	343.099
Soggetti	Information technology - Law and legislation Mass media - Law and legislation Civil rights European communities Data protection Technology - Moral and ethical aspects Information technology - Moral and ethical aspects IT Law, Media Law, Intellectual Property European Fundamental Rights and Freedoms Data and Information Security Ethics of Technology Information Ethics
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di contenuto	Chapter 1- Introduction -- Chapter 2- Data Protection Framework -- Chapter 3- Rights of Data Subjects -- Chapter 4- Duties and Responsibilities of Controller and Processor -- Chapter 5- Transfer of Personal Data to third countries -- Chapter 6- Enforceability, Remedies, Liability, and Penalties -- Chapter 7- GDPR and New Technology.
Sommario/riassunto	This textbook considers cases and materials introducing European Union (EU) data protection law to data protection enthusiasts while acting as a reference point for students and practitioners. The book's

utility is twofold: the cases and materials can be used as a textbook as well as reference point for research. The book will benefit individuals new to this area and those at an intermediate level of familiarity with data protection law. It includes judgements delivered by the Court of Justice of the European Union (CJEU)/ European Court of Justice (ECJ) and decisions delivered by Data Protection Authorities (DPA) in the EU. While providing an overview of data protection law in the EU, the book introduces basic concepts of data protection law, principles of data protection law and rights and duties and remedies under the data protection law. Students would greatly benefit from the book by using it as an introduction to data protection law and as a reference point for research and assessments. Course instructors would benefit from the book by using it as core reading material.
