Sommario/riassunto

This book examines the concept of adulthood in Britain and the United States over a broad historical timeline, from 1350 to Generation Z. Edited by Maria Cannon and Laura Tisdall, it is part of the New Historical Perspectives series, which supports early-career scholars and promotes peer-reviewed historical research. The book explores evolving definitions of adulthood, societal expectations, and cultural norms across different periods. It provides insights into how adulthood has been shaped by historical, social, and economic changes. Designed for both academic and general audiences, the book offers an interdisciplinary approach, engaging readers interested in history, sociology, and cultural studies.
