

1. Record Nr.	UNINA9910915733003321
Autore	Amiard Jean-Claude
Titolo	La Gestion des déchets Radioatifs
Pubbl/distr/stampa	London : , : ISTE Editions Ltd., , 2022 ©2022
ISBN	9781784068257 9781784058258
Edizione	[1st ed.]
Descrizione fisica	1 online resource (286 pages)
Soggetti	Radioactive waste disposal Nuclear industry
Lingua di pubblicazione	Francese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di contenuto	Cover -- Table des matières -- Avant-propos -- Remerciements -- Chapitre 1. Classifications et origines des déchets radioactifs -- Chapitre 2. Les méthodes d'élimination des déchets nucléaires -- Chapitre 3. La gestion des déchets radioactifs historiques et des déchets de faible activité dans le monde -- Chapitre 4. La gestion des déchets nucléaires de moyenne et de haute activité -- Chapitre 5. La gestion des déchets nucléaires en France -- Conclusion -- Liste des acronymes -- Bibliographie -- Index -- Back Cover
Sommario/riassunto	This book by Jean-Claude Amiard provides an in-depth analysis of radioactive waste management, addressing international standards and the diverse strategies adopted by different countries. It focuses on the challenges associated with high-level and long-lived radioactive waste, particularly from nuclear reactors and reprocessing plants. The author, an expert in the field, examines both successful and problematic waste management practices, highlighting the complexities of handling tritiated and irradiated graphite waste. The book is aimed at professionals and policymakers in the nuclear industry, offering comprehensive solutions and a detailed comparison of national waste management approaches.
