Livello bibliografico	Monografia
Sommario/riassunto	This book deals with the self-definition of the Society of Jesus in the early modern period. The essays written by Italian historians investigate various aspects of Jesuits self-representation such as their missionary activity (in Latin America, China and elsewhere) and their relation with the "profane". The essays written by Lithuanian historians contribute to better contextualize Jesuits activity in 16th and 17th century Lithuania. ----- Kolektyvineje monografijoje nagrinejami Jezaus draugijos reprezentavimo modeliai nuo draugijos ikurimo iki uzdraudimo, jezuitu misionieriskasis pasaukimas Kinijoje, Pietu Amerikoje ir Europoje nuo Lietuvos Didziosios Kunigaikstystes iki ispaniskojo Milano ir jezuitu poziuriai i mokslu filosofija.
