Sommario/riassunto	Based on pioneering work at their school in Sheffield, the authors of this book explore the universal issues of access and inclusion in employment and education for children and young people with autism or Asperger's Syndrome. They describe the challenges they faced in establishing and running an Integrated Resource for these children within a mainstream secondary school. The twenty-four pupils at The Resource participate in the regular school curriculum, but also learn a wide range of additional life skills. These include road safety, work-place skills and using public transport as well as ex
