Sommario/riassunto

Boys' underachievement is grabbing headlines in the education debate, and it has never been more important to solve the problem. This book offers clear and practical strategies to headteachers, classroom teachers and other professionals for ways to address the issue. The book looks at: *reasons for boys' underachievement* ways of adapting teaching styles to maximise learning gains for boys ... and girls *guidance on how to plan successful pyramid, whole-school and classroom approaches* practical strategies for subject leaders and teachers *examples of successful case st
