Conclusions; 9 Is Ethnomethodological Conversation Analysis an "Integrational" Account of Language?; 1. Different approaches, a shared orientation; Harrisian integrationism
 Ethnomethodological conversation analysis

Sommario/riassunto

Roy Harris's thoroughgoing attack on the presuppositions underpinning the dominant traditions of Western thought about language, and his advocacy of a radically reconceived linguistics focused on the idea that the linguistic sign is contextually created and interpreted as a function of the meaningful integration of communicative behaviour, have made him one of the most controversial figures in the field today. In the essays in this volume Naomi S. Baron, Bob Borsley, Philip Carr, David Fleming, Rom Harre, Anthony Holiday, John E. Joseph, Frederick J. Newmeyer, David R. Olson, Trevor Pateman, J
