Sommario/riassunto	Business, Conflict Resolution and Peacebuilding examines the actions currently being taken by businesses in areas of violent conflict around the world, and explores how they can make a significant contribution to the resolution of violent conflicts through business-based peacebuilding. This book combines two approaches to provide a comprehensive look at the current state and future of business- based peacebuilding. It marries a detailed study of documented peacebuilding activities with a map of the possibilities for future business-related conflict work and pragmatic sugges
