

1. Record Nr.	UNINA9910953501003321
Autore	Smartt Ursula
Titolo	Grendon tales : stories from a therapeutic community / / Ursula Smartt
Pubbl/distr/stampa	Winchester, United Kingdom, : Waterside Press, 2001
ISBN	9786611124786 9781281124784 1281124788 9781906534516 1906534519
Edizione	[1st ed.]
Descrizione fisica	1 online resource (232 p.)
Disciplina	616.8914087
Soggetti	Criminals - Rehabilitation - Great Britain Therapeutic communities - Great Britain Sex offenders - Rehabilitation - Great Britain Violent offenders - Rehabilitation - Great Britain
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references (p. 227-228) and index.
Nota di contenuto	""Cover ""; ""Acknowledgements""; ""CONTENTS""; ""Foreword""; ""Introduction""; ""1 Negotiating Access""; ""2 B Wing: An Anti-democratic Majority?""; ""3 Armed Robbers: A Very Macho Breed""; ""4 The Governor's Tale""; ""5 Sex Offenders on G Wing""; ""6 Sex Offender Therapists""; ""7 Naked Truths on C Wing""; ""8 A Cool Bunch on A Wing""; ""9 Dovegate Prison: A Grendon Clone?""; ""10 Conclusion: Grendon's Past, Present and Future""; ""Epilogue""; ""Bibliography""; ""Index""; ""Back cover ""
Sommario/riassunto	For anyone trying to understand what 'drives' some people to commit serious, heinous and sometimes unspeakable crimes - and what is achievable through therapy - the first-hand 'tales' in this book merit close study. For over forty years Grendon Prison with its 'Therapeutic Communities' of high security 'residents' has remained unique among Britain's prisons. In 2000 researcher Ursula Smartt was given extensive access to interview residents and prison staff - governors, prison officers, therapists and probation officers - and to observe their day-

to-day routines. The result is Grendon Tales, a perceptive, insightful and at times shocking account of life inside a unique and world famous establishment. Grendon houses many dangerous, disturbed and disruptive criminals (ranging from armed robbers to paedophiles, to rapists and murderers). For many of them, it is 'the last chance saloon' - a final opportunity to alter their thinking patterns and behaviour and maybe to convince the authorities that their security category should be downgraded with a view to future safe release back into the community.

2. Record Nr.	UNINA9911049068603321
Autore	Köppen Mario
Titolo	Resource-Aware Intelligent Communication Systems
Pubbl/distr/stampa	Cham : , : Springer, , 2025 ©2026

Descrizione fisica	1 online resource (171 pages)
Collana	Springer Tracts in Human-Centered Computing Series
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	This book reflects on the foundations and real-world situations for the special case of resource-aware communication systems. The surge in sensors and communication devices has brought in an explosion of data, necessitating a greater demand for computational resources for processing tasks, posing serious challenges to the optimal sharing of.
