Sommario/riassunto	Did you know that stoats are hypnotists? These weasels perform wild dance moves that make rabbits freeze and stare. The stoats leap and twist, moving closer to the dazed prey, until they can pounce on their victim. This and other animal hunting traps are laid out in this book for growing readers.

Sommario/riassunto	The political outlook of young people in the countries of the former Soviet Union is crucial to their countries' future political development. This is particularly relevant now as the first generation without firsthand experience of communism at first hand is approaching adulthood. Based on extensive original research and including new

survey research amongst young people, this book examines young people's political outlook in countries of the former Soviet Union; it compares and contrasts Russia, where authoritarianism has begun to reassert itself, and Ukraine, which experienced a democrat
