Sommario/riassunto	In the early twenty-first century, the world has been seized by one of the most intense periods of anti-Americanism in history. Reviled as an imperialist power, an exporter of destructive capitalism, an arrogant crusader against Islam, and a rapacious over-consumer casually destroying the planet, it seems that the United States of America has rarely been less esteemed in the eyes of the world. In such an environment, one can easily overlook the fact that people from other countries have, in fact, been hating America for centuries. Going back to the day of Thomas Jefferson and Ben Franklin,
