Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Conjugal love and marriage -- The depth of the conjugal act -- The primary meaning of marriage -- Reverence and superabundance -- The rhythm method -- Artificial birth control.
Sommario/riassunto	While some argue that this German Catholic philosopher and theologian neglected the role of procreation in marriage, this book shows that von Hildebrand's writings on reverence and superabundant finality contribute to a contemporary understanding of the significance of procreation within marriage. Schemenauer analyzes von Hildebrand's integration of conjugal love and procreation, showing him to be an insightful and parallel voice to the that of John Paul II.
