Sommario/riassunto	How often does a novel earn its author both the Presidential Medal of Freedom, awarded to Harper Lee by George W. Bush in 2007, and a spot on a list of "100 best gay and lesbian novels"? Clearly, <i>To Kill a Mockingbird</i> , Lee's Pulitzer Prize-winning tale of race relations and coming of age in Depression-era Alabama, means many different things to many different people. In <i>Mockingbird Passing</i> , Holly Blackford invites the reader to view Lee's beloved novel in parallel with works by other iconic American writers—from Emerson, Whitman,

Sommario/riassunto	Whose Justice? Which Rationality?, the sequel to After Virtue, is a persuasive argument of there not being rationality that is not the rationality of some tradition. MacIntyre examines the problems presented by the existence of rival traditions of inquiry in the cases of four major philosophers: Aristotle, Augustine, Aquinas, and Hume.
