Sommario/riassunto	" The MAT exam is one of the hardest intellectual challenges in the field of standardized testing. Students preparing to take this exam need a chance to practice the analogy skills necessary to score well on this test, which MAT For Dummies provides with its six full-length practice tests and plethora of other test preparation suggestions. MAT For Dummies includes test-specific analogy strategies, practice and review for each content area, word/terms lists covering the major subject categories, and six practice tests with detailed answer banks."--
