Scattolini -- Theories of crises / Karl Kautsky, 1902, translated by Daniel Gaido and Dario Scattolini.

Sommario/riassunto

This volume advances our understanding of class histories and practices in societies outside the core capitalist countries, and it deepens our knowledge of resistances in this periphery through site-specific class analyses. It also features an an out-of-the-archive translation of Karl Katusky's theory of crises.
