| Sommario/riassunto      | The Celtic Languages describes in depth all the Celtic languages from historical, structural and sociolinguistic perspectives with individual   |

chapters on Irish, Scottish Gaelic, Manx, Welsh, Breton and Cornish. This second edition has been thoroughly revised to provide a comprehensive and up-to-date account of the modern Celtic languages and their current sociolinguistic status along with complete descriptions of the historical languages. This comprehensive volume is arranged in four parts. The first part offers a description of the typological aspects of the Celtic l
