The Diaspora Community -- 10. The Clash Within -- Chronology -- Glossary of Terms and Abbreviations -- Notes -- Index
Sommario/riassunto	While America is focused on religious militancy and terrorism in the Middle East, democracy has been under siege from religious extremism in another critical part of the world. As Nussbaum reveals in this penetrating look at India today, the forces of the Hindu right pose a disturbing threat to its democratic traditions and secular state. Nussbaum's long-standing professional relationship with India makes

her an excellent guide to its recent history.
