Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index. Includes filmography.

Nota di contenuto

pt. 1. Performance and performers -- pt. 2. Roles and representations.

Sommario/riassunto

A lively and engaging study of on-screen and off-screen performances of masculinity, focusing on well-known male actors in American film and popular culture in the 1990s and 2000s. Peberdy examines specific social, cultural, historical and political contexts that have affected age, race, sexuality and fatherhood on screen.
