Disciplina	331.7/6135173
Soggetti	Civil service - United States Public administration - United States
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Sommario/riassunto	Understanding the characteristics and trends of federal workforce is important because, among other things, agencies accomplish their missions via that workforce. Total personnel costs (direct compensation and benefits) for federal employees (civilian and military, current employees and retirees) were estimated at more than \$523 billion in 2008.
