Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Introduction -- Curiositas -- World -- Damage -- Gift -- Participation -- Appetite -- Wonder -- Owning -- Kidnapping -- Spectacle -- Novelty -- Loquacity -- Gratitude.
Sommario/riassunto	The appetite for knowledge--wanting to know things--is very strong in humans. Some will sacrifice all other goods (sex, power, food, life itself) for it. But this is not a simple appetite, and this book treats some of its complications, deformations, beauties, and intensities.
