Sommario/riassunto	Peregrinations, Ruminations, and Regenerations: A Critical Approach to Doctor Who examines the famous BBC science fiction show as a cultural artifact in dialogue with other science fiction, with politics and religion, and with the culture at large, both in terms of how it reflects and comments upon that culture and in terms of the audience and the peculiarities of its response. This book enables researchers in film and media to make historical, industrial, aesthetic, and ideological connec...
